SHOW RULES, PROCEDURES AND REGULATIONS

This show is licensed by the Governing Council of the Cat Fancy and is open to all. Copies of the GCCF Rules and Constitution are available from the GCCF Office, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG. Please make sure that you read and understand these and this schedule before entering the show.

IGNORANCE OF THESE RULES WILL NOT BE ACCEPTED AS AN EXCUSE FOR THEIR BREACH.

ELIGIBILITY

Siamese, Oriental SH, Balinese, Oriental LH (Angora) and Oriental Bicolour Adults, Kittens and Neuters are eligible for competition at this Show if registered with the GCCF. Exhibits registered on the Reference Register are not eligible to be shown in competition in the Pedigree section. Other cats may be entered on Exhibition and may also enter the Charity Classes.

All registrations and/or transfers must have reached the GCCF Office by 4th September 2009 or the exhibit will be DISQUALIFIED. If you have entered the exhibit in your name and it is transferred away from you BEFORE THIS DATE it will also be DISQUALIFIED because the entry form becomes invalid. If you have not yet got the registration number when you enter, write NAF (name applied for) instead, fill in the name you have applied for, and send the number and any change of name to the Show Manager when they arrive.

Unregistered kittens and neuters with unregistered/unknown parent or parents are eligible for the Non-Pedigree section.

SHOW ENTRY FORM

In order to exhibit at the show you must complete the official entry form and read and sign the declaration. The information on the entry form must be identical to that on the registration/transfer certificate except for the addition of GCCF titles. If you make any mistakes your exhibit may be DISQUALIFIED. This includes: incorrect or incomplete name of cat, breeder or owner etc. (The breeder of the cat is the owner of the dam when the kitten was born.) If the cat is registered in single ownership only one person must sign the form. If the cat is registered in joint ownership both owners must sign the form. Please make this clear and if you are entering a cat in single ownership and one in joint ownership, please use separate forms. If you are entering a cat on exhibition the show entry form must be completed exactly as for competition entries, marking "Exhibition" in the Open Class box.

EXHIBITORS ARE RESPONSIBLE FOR THE CORRECT DESCRIPTION OF THEIR EXHIBITS AND FOR ENTERING THEM IN THE CORRECT CLASSES. Exhibits entered in the wrong class will be disqualified from the class concerned and it may not be possible to move them into the correct class on the show day. If you re-register the colour of your cat please let the Show Manager know immediately so that it can be judged as the correct colour on the day.

Please check your entry very carefully to make sure that it is clear and legible, that you have entered your cat in the correct classes, that you have signed the form and that you have sent the correct money. Any entries which are incorrect will be returned and the resulting delay could mean that you are too late to enter. We will NOT allow you to sign the form or pay the balance of the money on Show day. If you find errors in your entry these may be corrected on Show day if it is too late to do so beforehand.

CORRESPONDENCE

All correspondence must be accompanied by a stamped addressed envelope if a reply is required. Any complaints relating to the Show must be forwarded, in writing, to the Show Managers within seven days of the Show.

WITHDRAWALS

All withdrawals must be made in writing. No withdrawals can be accepted after the published closing date for entries. If your cat is ill and you enclose a veterinary certificate we may be able to refund some of your entry fees, at the discretion of the Committee, depending upon when such notification is received and how much work has already been done with regard to your entry.

Please note closing date 7-Sep-09 (receipt) - late entries will not be accepted

PRE-SHOW PREPARATION

Please make sure that your exhibit is clean and healthy before arriving at the show. All exhibits must be vaccinated against FIE, FVR & FCV ("cat 'flu"). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. Please note that homeopathic vaccination cannot be accepted for the purposes of showing under section 4 rule 5.

The vaccination certificate must be completed with the full details of the cat and the owner.

Please check your cats claws and, if necessary, trim them before the show - be sure not to cut the quick.

If you have to bath your cat please be very careful which shampoo you use. Many shampoos and grooming products sold for cats contain colouring matter and if you use one of these your cat could be disqualified.

The use of any products, including skullcap & valerian, rescue remedy, sedatives for travel etc, which change a cat's appearance or physical reaction is forbidden and will lead to disqualification.

ARRIVAL AT THE SHOW

Exhibits will be received at the entrance to the Show Hall from 8 until 9.30 on the morning of the show. All exhibits must be brought to the show in suitable secure containers (top-opening preferred) and must be accompanied by their owners or representatives who must remain within call throughout the period of the Show except when the hall is cleared for judging. Exhibits will only be accepted on condition that the Club shall not be held responsible for any loss or damage to any exhibits, containers or property in any way. If a cat cannot be removed from its contained safely it may not be vetted in.

All exhibits must be examined by the Show's Honorary Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit for competition. No exhibit may be penned before being examined. Exhibits must show no signs of ill health, parasites, skin lesions or use of drugs. Coats and ears must be clean. Entire males over nine months of age must have both testicles present in the scrotum. Pregnant or lactating queens or queens who have kitted within twelve weeks before this show may not be exhibited. Declawed cats may not be exhibited.

Rejected exhibits must be removed by their owners and entry fees forfeited. Owners of rejected exhibits, together with their other exhibits, may also be debarred from entering the Show Hall. **THE DUTY VETERINARY SURGEON'S DECISION IS FINAL**

CLEARANCE

If your cat is rejected from a show please note the following points:

1. When sending your clearance certificate to the GCCF Office please include your copy of the rejection form.
2. Please do not send these certificates by recorded delivery post as this can cause considerable delay. If you wish to be sure they have arrived enclose a stamped addressed postcard which can be signed and returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Office accepting and confirming clearance. Take this letter with you to any shows you attend within one month of its issue.

PLEASE NOTE

Nobody may remove an exhibit from its pen except the owner, owner's agent or Show official. Exhibitors must not carry their exhibits round the show hall. Exhibits must not be held in such a way as to annoy other exhibits. Any person in any way interfering with or removing any exhibit from its pen during the Show, except with the permission of the Show Manager, will forfeit any award that may be due.

Please note closing date 7-Sep-09 (receipt) - late entries will not be accepted

Exhibits actually received into the Show Hall cannot be removed without the permission of the Show Manager. The Show closes at 5.00 pm and no exhibit may be removed from its pen before this time. Anyone breaking this rule could be DISQUALIFIED and forfeit any prize money and awards. Judges are empowered to withhold any award in any class if the exhibits do not, in the Judge's opinion, possess sufficient merit.

PRESENTATION

Take pride in presenting your exhibit. Be sure that it is comfortable, warm and relaxed. You must provide each exhibit with a white litter tray (with its usual litter) and a white water bowl which must stay in the pen all day. Food may be given (in white bowls) but must be removed before judging starts at 10.00 am and not replaced until 12 noon. Each exhibit must have a clean plain white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material may be used if preferred. The only source of heating allowed in the pen is a hot water bottle or heat reflecting material, which must be out of sight under the blanket. **SEWN CAT BEDS OR "NESTS" ARE NOT ALLOWED.**

No written or printed matter of any kind other than the official notices and award cards may be placed on the pens of exhibits in competition. None of the equipment in the pen may bear any distinguishing marks. **JUDGES ARE INSTRUCTED TO PASS ANY PEN THAT IS DISTINGUISHED IN ANY MANNER.** One small toy may be placed in the pen when you return to it at 12 noon.

Exhibition pens are designed to form a display and may be decorated in any way you wish, but please make sure that there is ample room for the cat to be comfortable.

Prize money cards, catalogue vouchers and exhibitors passes will be handed to you at vetting-in. There will not be any tallies at this show so please check your pen number carefully and make sure you pen your cat correctly.

Show equipment, litter, accessories etc. will be on sale at the show hall. Aerosols, sprays and toxic disinfectants may not be used in the show hall.

DEFINITION OF CLASSES

ADULTS	9 months old and over on Show day.
KITTENS	14 weeks-9 months old on Show day.
NEUTERED KITTENS	Should enter Open Kitten classes and suitable miscellaneous and club classes for kittens. NB You MUST enter the kitten correctly as M, F, MN or FN according to what it will be on the day of the show. In Orientals and Balinese, cryptorchidism is a WITHHOLDING FAULT so your kitten may be penalised if it is entered incorrectly.
NEUTERS	Neutered adults, male or female, may only enter classes specified for neuters.
BREEDERS	For exhibits bred by the exhibitor(s). Cats originally registered in the Breeders' joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders class.
NOVICE	Exhibit that has not won a 1st prize in any class at a GCCF Show.
LIMIT	Exhibit that has not won more than four 1st prizes in any class at a GCCF Show.
DEBUTANTE	Exhibit that has not been shown before under GCCF Rules.
JUNIOR	9 months - 2 years old on Show day.
SENIOR	2 years old and over on Show day.
VETERAN	7 years old and over on Show day.

The status of the exhibit for entering restricted classes (Novice etc.) shall be its status on the day of entry except that, to be eligible for entry into Imperial Grand or Grand Classes, the required status must be attained on or before the closing date of entries as published in this Schedule. Wins as kittens do not count when entering adult classes. Wins as entire adults or as kittens do not count when entering neuter classes. Merits DO NOT count as 1sts for entering Novice etc. classes.

Please note closing date 7-Sep-09 (receipt) - late entries will not be accepted

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:

- (a) Spelling errors.
- (b) Separation of cat's name that should be one word and vice versa.
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit.
- (d) Overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) Full breed number known but not given.
- (f) Sire and Dam reversed or named incorrectly.
- (g) Breeder joint when single and vice versa.

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS:	Kittens	not less than 14 weeks and under 9 calendar months on date of Show,
	Adults	not less than 9 calendar months on date of Show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise :-

EXHIBIT	Totally incorrect name
REGISTERED OWNER (EXHIBITOR)	Joint when they should be single, and vice versa
BREEDER	Declaration not signed by registered owner(s)
	Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW.

These entries will be disqualified. Remember, the effective date of all registrations and transfers is **the first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the Exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in Grand classes must have gained their title before the published closing date if the show.

CAT REGISTERED ON THE REFERENCE REGISTER. No Cat registered on this Register is eligible to be shown and, therefore, these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from the Show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

THE COMMITTEE RESERVE THE RIGHT TO:

1. Appoint other judges should those advertised be unable to fulfil their engagements and to appoint further judges should they be required.
2. Fix and limit the number of exhibits to the show and to accept or refuse entry without giving reasons.
3. Cancel, amalgamate or divide classes.
4. Publish a catalogue of the Show containing information as to the exhibits and the names and addresses of exhibitors, and process such information by computer.
5. Retain a percentage of the entry fees to cover essential expenses in the event of the show being cancelled for any reason.

An announcement on the GCCF website of any alterations or additions made to the schedule or regulations shall be deemed sufficient notice thereof.

Please note closing date 7-Sep-09 (receipt) - late entries will not be accepted

IMPERIAL CLASSES

Cats entered in an Imperial class must not be entered in more than one of Grand Class and ordinary Open Class (they need not be entered in either). Best of Breed will be judged from the Open Class winners and any cats of the breed not entered in the Open Class (except those which the exhibitor has specifically asked not to be considered for Best of Breed).

SPECIAL PRIZES

Offers of Specials for prizewinners in any class in the Pedigree or Non-Pedigree Sections or for the Decorated Pen Competition would be very welcome. PLEASE SEND OFFERS OF SPECIALS TO THE SHOW MANAGER IN TIME FOR INCLUSION IN THE CATALOGUE. PLEASE NOTE that individuals may NOT offer rosettes.

COUNTERSIGNATURES

If there is a change of Judge for an Open or Assessment Class occurring after the closing date of the show, providing you inform the Show Manager prior to judging commencing that a certificate has previously been awarded by the replacement Judge, the Show Manager will appoint one other Judge to judge your cat and if the cat is considered worthy, countersign the certificate, which will then count towards Champion/Premier status. If the replacement Judge at the first show has also previously been booked for a subsequent show, the closing date of which is before the date of the first show and where the actual entry has been made and received before the date of the first show, then at the subsequent show this Judge can be regarded as a replacement Judge for the purposes of requesting a countersignature.

HOUSEHOLD PET SECTION

Non-Pedigree pets are unregistered cats from unregistered or unknown parents, of traditional "moggie" appearance. Pedigree pets are cats of pedigree appearance with known or unknown full or half pedigree background. They must be entered under their pet name, without prefixes, pedigree titles, or breed numbers. Both non pedigree and pedigree pets compete for certificates which will ultimately lead to the titles of Master Cat, Grand Master Cat and Imperial Grand Master Cat. Both are judged according to the normal household pet criteria only: presentation, condition, temperament and personality

All cats in the Household Pet section **aged 6 months or over** must be neutered.

Master Cat title

The title Master Cat shall be attained by the awarding of three Master Cat certificates by three different judges at participating championship or sanction shows licensed by the GCCF. Certificates awarded in the Coventry & Leicester Cat Club's Scheme count towards the title.

Grand Master Cat title

The title Grand Master Cat shall be attained by the awarding of three Grand Master Cat certificates by three different judges at participating championship or sanction shows licensed by the GCCF. To be eligible for the class, a cat must have achieved the Master Cat title before the published closing date of the show. Cats which have acquired the Master Cat title through the Coventry & Leicester Cat Club's Scheme are eligible.

Imperial Grand Master Cat title

The title Imperial Grand Master Cat shall be attained by the awarding of five Imperial Grand Master Cat certificates by five different judges at participating championship or sanction shows licensed by the GCCF. To be eligible for the class, a cat must have achieved the Grand Master Cat title before the published closing date of the show.

If your cat has won a Master Cat, Grand Master Cat, Imperial Grand Master Cat, UK Grand Master or UK Imperial Grand Master title at a GCCF Show, please make your claim to Mrs Lesley Szwed, 35 Potton Close, Barn End, Coventry, CV3 3EA. Please include the cat's name, colour, sex and age, together with the names and dates of the qualifying shows, the awarding judges' names and photocopies of the relevant certificates. All claims are acknowledged and, periodically, a list of Master Cats etc will be published, shortly after which medals will be sent to the owners.
